ATTENTION PARENTS: No Winter Break Camp

Due to ongoing construction at the West Lafayette CSC locations and district policy at Klondike Elementary School, Wonderful Weekdays will be unable to provide all-day care during Winter Break 2018-19. Our access space is contracted through the school districts and neither was able to accommodate us for this time period.

Individual staff from WWD are available for private babysitting, please inquire with your site supervisor or the staff member directly for contact information.

Additionally, the Board of WWD has gathered the following information for other Lafayette-area winter break camps. This is not intended to be an endorsement of these programs or an exhaustive list of options:
